❖ **JETS Statement of Faith:**

JETS builds its teaching on a common doctrine held by the Arab Evangelical churches as derived from the Bible, while guarding the unity of the body of Christ. We therefore believe in the Bible's inspiration, inerrancy and supreme authority. We believe in one God existing from eternity past to eternity future as three Persons equal in essence, the Father, the Son and the Holy Spirit. We believe that man was created in the image of God and that this image was corrupted because of man's fall into sin. We believe that man's salvation from eternal punishment does not come from doing good works or from human achievement, but by grace through faith in the work of Christ on the cross to forgive the sins of all who believe in Him and to grant them His righteousness. We believe that Christ, the Son of God, is complete man and complete God, and that He was incarnated in order to die a substitutionary death for all mankind, and that He proved, by His resurrection, all He promised and accomplished. We believe in the work of the Holy Spirit in convicting the world, in living in believers, in renewing their nature, in sanctifying them and in empowering them for ministry. We believe in the necessity for every believer to belong to a local church. We believe in the second coming of Christ to put a foundation for the time prophesied by the prophets of peace and righteousness to the whole universe. We also believe in the resurrection of believers in glorified bodies for eternal life and of non-believers for eternal punishment.
